Here's Looking at You, Kid

Journey Beyond Travel

Live a la Bogart and Bergman with your own Journey Beyond Travel adventure. Committed to preserving and promoting all the natural beauty of Morocco, Journey Beyond Travel allows you to customize culture, adventure, and extreme tours to fit your interests. Visit the Imperial Cities (Fez, Marrakesh, Rabat, and Meknes), bike around the country, or go on a five-night hike to climb Morocco's second highest mountain. Whichever you choose, a portion goes toward sustainable development projects in the country so you'll be helping maintain the wonder around you. Go or "you'll regret it. Maybe not today, maybe not tomorrow, but..." Sorry, couldn't help it.
